Judge Frederick P. Corbit  
To Whom it may concern:

I received notice by mail which arrived today of the upcoming extension hearing requested by liquidating trustee, Bruce Kriegman to try and recoup monies in regards to the LLS America ponzi case. Hearing set for Nov 6, 2022 2PM PST

Although I have no interest in attending this hearing, I do respectfully ask, your honor if you could investigate Mr Kriegman, and any others as to what and where all the monies have gone that he has supposedly collected as a result of this case. From what I understand over the years he has collected around \$17,500,000 and dispersed some 5,422,000 to the victims. I don't believe that is altogether true. For example for the year 2021, Form 1041-IRS it was reported my mother received \$95.00/capital gain from LLS. Mr Kriegman reported 353,740.51 collected. Of the \$95.00/100 gain we received not one red cent. This has been going on for around 10 years.

Please do not grant this extension!! Again someone is making money off of this and its not the investors who are still being scammed under the guise of legalities. My mother has been gone now for four years, and I'm sick of this. Please close the books on this and make it stop. Mr Kriegman and the attorneys are the only ones making money.
